REQUEST FOR LETTER OF RECOMMENDATION TO NIGERIAN MARITIME ADMINISTRATION AND SAFETY AGENCY (NIMASA)

Your Royal Majesty,

I respectfully write to seek Your Royal Majesty's kind consideration and support in recommending me for employment opportunities at the **Nigerian Maritime Administration and Safety Agency (NIMASA)**. My name is **Oladimeji Benjamin Alagbada**, a Nigerian professional with academic and professional experience in Economics, Finance, research, and policy analysis. I currently work in the oil and gas sector, where my responsibilities involve economic and industry research, financial analysis, policy engagement, and monitoring developments within the Nigerian economy and energy sector.

Over the years, I have remained committed to developing myself professionally and contributing meaningfully to Nigeria's economic development. I have also had the opportunity to work in research and policy-oriented environments, which have strengthened my analytical, research, communication, and problem-solving skills.

Your Royal Majesty, I am presently seeking suitable employment opportunities within NIMASA, at an experienced level, where my academic background and professional experience can be effectively applied. I therefore humbly seek Your Royal Majesty's assistance through a letter of recommendation to the appropriate authority at NIMASA, should Your Majesty find me worthy of such support.

I would be deeply grateful for Your Royal Majesty's kind consideration of my request. I remain committed to conducting myself with integrity, diligence, and professionalism and, if given the opportunity, to making a meaningful contribution to the organisation and to the development of Nigeria.

Please accept, Your Royal Majesty, the assurances of my highest respect and deepest regard.

Yours respectfully,

Oladimeji Benjamin Alagbada
